Electrification Assoc. Holds Annual Meeting

The annual meeting of the West Didsbury Rural Electrification Association was held in the Lions hall on Saturday, Feb. 7 at 2 p.m., with approximately 50 in attendance.

President Earl Brax was in the chair and expressed his satisfaction with the unusually large attendance. The minutes of the last annual meeting and the financial report having been read and adopted, the president gave his report on the year's activities.

The board has held four directors' meetings, 35 applications for service have been forwarded to the Farm Electric Services Ltd. and 29 contracts had been completed on which the survey has been completed.

The matter of retrimming trees was then discussed and it was decided to have the association stand the cost of this retrimming. Financial arrangements for the unpaid contracts of the original subscribers must be made before April 30, 1964 or the power will be disconnected.

The election of two directors for the next three years was then held and the following were declared elected: Zone 6, Douglas Landeen; Zone 7, George Collinge.

The board of directors for the following years is as follows: chairman, Harvey Hoesegood; vice-chairman, R. H. Bubank; secretary-treasurer, A. W. Reiber; directors: J. A. Hughes, Herman Dageforde, W. H. Davies, Douglas Landeen, George Collinge.

M. Aberley of the Farm Electric Services Ltd. then addressed the meeting and gave a summary of the progress made in rural electrification. Last year 4100 farms were energized and the total for the last five-year period stands at approximately 29000. Eight thousand applications are now on file in the office and plans are now being laid for full construction program for the next eight or nine years.

A question period followed in which much interest was shown. The annual meetings in the future will be held on the last Saturday in February in the Didsbury Lions hall.

Farmers' Bonspiel Thursday, Friday

The annual Farmers' Bonspiel, sponsored by the Didsbury and District Board of Trade, will be held on Thursday and Friday, March 5 and 6.

The banquet will be held at 6:00 p.m. on Friday evening.

Those wishing to participate may enter by contacting Prevost Motors, Edmonton Motors or Mr. Alf Allen at the Royal Bank not later than 6:00 p.m. Thursday, March 4.

At the annual meeting of the Municipal District of Mountain View held in Crossfield Reeve Baginall, F. J. Niddrie and E. B. Dodo were returned to office by acclamation.

held last Saturday evening with Mr. Van Haften the guest. Mr. Bill Money was elected as trustee to replace Mr. Bill Dick.

We wish to congratulate Mr. and Mrs. Wrentham, formerly of this district, who are the proud parents of twin boys.

Mr. and Mrs. B. Money and Mr. and Mrs. Joe Teynor and family were visitors at the home of Mr. and Mrs. S. Wright Wednesday night.

Mr. and Mrs. R. McMullen Sr. are spending a short visit in Red Deer.

Mrs. C. Hayes was a visitor at the home of her daughters, Mrs. R. McMullen and Mrs. C. Roberts last week.

Mr. and Mrs. R. Money visited at the home of Mr. and Mrs. A. Rothwell recently.

Friday evening a "hard time" dance was held at the school with good attendance. Mrs. Glenn Cooper was the winner of the most appropriate costume and Mr. L. Evans was the male winner. Next dance will be March 26.

The annual school meeting was

Ramblers Trounce Olds Elks 7 to 2 To Even Central Alberta League Playoff

HOCKEY PLAYERS RECEIVE AWARDS MONDAY NIGHT

Cec Papke Monday night was presented with the Grandview Trophy, shown elsewhere on this page, donated by Mrs. Joyce Mullin. The trophy will be presented annually to the player judged most valuable on the Didsbury Ramblers hockey club. The team will present a miniature to the winning player each season.

Jack Smith and LaVerne Neufeld received awards for ending up second and third in the judging.

Trey Morgan received the Grandview Shield for the most-gentlemanly player on the local roster. Trey received only one penalty in league play this season.

Presentations were also made to Coach Bill Cowan and Mrs. Cowan and that grand old fan, Mrs. Herman Papke, received her annual bouquet.

Westcott News

Mr. Les Goetjen had a cyst removed from his eye last Tuesday in the local hospital.

Mr. Ray Sanderson, son of Mrs. Lena Sanderson, met with an accident on Saturday afternoon last when the motorcycle he was riding went out of control. He received a laceration on his face necessitating 10 stitches.

Mr. and Mrs. Leonard Papke and sons Bruce and Duane and Mrs. Inez Bunting of Elkton district and Mr. Hubert Papke of Big Prairie were all supper guests at the Herbert Goetjen home last Sunday.

Miss Deloyce Goetjen of Eckville spent Friday night at her home at Westcott and then went to Calgary to visit her sister Elaine and her husband, Mr. and Mrs. Ken Card.

Mr. and Mrs. Gordon Hoskin held another card party at the school on Wednesday evening of last week and this week a dance was held on Friday night.

The club has just had the school piano moved after so the music for the dancing should give quite a lift to the other music instruments as the piano had been sadly neglected for so long.

EAST NOTES

Mr. and Mrs. Walter McCulloch visited with relatives at Calgary and Turner Valley recently.

Beverly Thompson spent last Tuesday night with Joyce Schumaker.

Patsy Spragg spent the weekend with her brother-in-law and sister, Mr. and Mrs. Donald Thompson.

The next Girls' Club meeting will be held the third Friday in March at Joyce Schumaker's home.

Mr. and Mrs. Jesse Toews of Calgary were Sunday visitors with the latter's parents, Mr. and Mrs. Roy McNeen. Allen McNeen returned home with them after spending a couple of days with his sister.

Miss Deloyce McNeen left Tuesday for Edmonton where she will be working for a time.

Mr. and Mrs. E. Neumiller and Mr. and Mrs. A. Gebers were Wednesday supper guests with Mr. and Mrs. James McCulloch.

Mr. and Mrs. Roy McNeen and Allen were in Three Hills on Thursday.

Mr. and Mrs. H. Swanson and family, Mrs. E. Hunter and Mr. and Mrs. F. Hoskin were Thursday supper guests of Mr. and Mrs. G. Hoskin and family.

Mr. Jim Cranston of Calgary has been spending a few days with his step-daughter, Mrs. Gordon Hoskin and family.

Mr. and Mrs. Ray Stewart and family have been visiting with the former's sister, Mrs. H. Johnson and family.

Don't forget the dance at Carstairs East Community hall on March 5. Music will be supplied by the Melody Five orchestra.

Didsbury Lions Club Hold Annual Winter Carnival

Didsbury Lions Annual Winter Carnival drew the usual interested crowd to the annual Friday evening and they didn't go away disappointed.

Calgary Lions Club boys and girls band, a unit that has been in existence for only a year, provided music for the event and drew rounds of applause from the crowd.

Mrs. Florence Owens of Olds and Mrs. Florence Owens of Olds presented three very picturesque numbers and their precision was a treat to watch.

Olds Elks and a large contingent of their (we got this one cinked) fans roiled into town Monday night confident of ending the best-of-three Central Alberta League playoffs with Didsbury Ramblers in two straight games.

Sixty minutes of play elapsed and the Elks, with their sniffling, pointing to the ground and the fans sporting red eyes (there is no smoking in the arena) left on the short trip back to North Didsbury (sometimes referred to as Olds) planning their alibis on the way.

The final score, which seems incidental, was 7-2. It could have been 17-2 with the odd break here and there.

Olds tallied first on a goal by McLeod but it proved the only time they were ever ahead in the game. Before the period ended Cec Papke slipped in two goals with Smith and Morgan good for singletons.

The sandwich season saw the locals go ahead further on goals by Smith and Haynes, while Latourneau counted for Elks. Only scoring in the third was a goal by Dumont for Didsbury.

Five penalties were handed out in the game.

Playing in Olds on Saturday night the northerners were full value for their 4-1 win as Ramblers failed to capitalize on scoring chances early in the game.

Scoring statistics were not made available to us but we do know that reliable Cec Papke banged in the

only Rambler tally.

Your reporter was so busy accepting the jeers of the partisan Olds fans it was impossible to report fully on the contest.

Third and final game in the series will be played in Olds Wednesday (tonight). We'll be there (without dark glasses).

It was interesting to note that in the Monday night game Didsbury played with skeleton crew and were in high gear all night. What could we do with a full club?

Those fans from Elkton who came out with the age-old adage, "we're playing for another gear," should have been made to wear goalie Dots while they were home. It is a cinch they would have no trouble keeping warm because he didn't have a chance to cool off all night.

Ken Papke was definitely there when called upon and Glen Roberts made one of the finest rushes seen in the arena this season when he deked out the entire Olds team and then passed to Smith for a picture goal.

We'll be back next week with another story. We hope it's a winning one. If it isn't we can only say, "if you can't be a winner, at least be a good loser." Some northern fans should take that little phrase and study it a bit.

Just To Prove How Little It Costs To Run This Tractor For 6 Months We'll Buy HALF YOUR FUEL Ourselves

Yes, you read it right: Trade in your old tractor on a new OLIVER DIESEL WHEEL TRACTOR, and we'll pay half your new tractor's fuel bill for 6 months straight. We mean any 6 months' work on your farm, even your six heaviest work months, for the longest hours you want to work. Just bring in your fuel bills to show what you spent, and we'll give you a cheque for half.

Why We're Making This Offer —

We figure if we offer to pay half your fuel, you'll keep track of your costs. That's all we want: for you to see how low they'll be. You'll find that you're burning only six gallons of fuel where your gasoline tractor burned 10 — and buying your diesel fuel for a whole lot less.

We're betting you'll say you'll never go back to gasoline. Especially when you find that your upkeep is as low as your fuel cost. Your Oliver Diesel has the simplest engine ever put in a farm tractor — no carburetor, no plugs, fewer moving parts — very easy to keep in top working order.

No Starting Engine, No Starting Fuel —

Oliver Diesels start and run on diesel fuel. They give you instant starts even in freezing weather. They withstand a longer life span than any spark ignition tractor. Best of all, Oliver makes a diesel in any size you want — two-plow, three-plow, four-plow — whatever size is best for your operations.

You're Paying For A Diesel ! Why Not Have One?

That's what users say: with the high fuel cost of a gasoline tractor, you're paying for a diesel whether you have one or not. That's why farmers by the thousands are going over to low-cost diesel power. You will yourself, sooner or later. Why not buy your diesel NOW, start your savings NOW, while this special offer still holds.

Buy an Oliver Diesel and We'll Pay Half Your Fuel.

"nothing can replace Butter for richness and higher quality in cooking"

If ever you have dined at Ottawa's famous Chateau Laurier, you'll agree — Chief Pastry knows whereof he cooks! In all his tempting dishes, he uses only butter. No substitute could possibly give the delicate flavour, the smooth, golden richness of fresh creamy butter.

Taste Chief Pastry's own recipe for BUTTER MEUNIÈRE a sauce for sautéed fish, steaks or chops

When fish or meat is ready to serve, squeeze the juice of a quartered lemon over it. Sprinkle with fresh chopped parsley or chives. In a frying pan, brown 2 ounces of butter for each person. Pour over fish or meat.

it's always better with Butter!

As every housewife knows, for good eating and good living, you just can't beat butter. From the simplest hot biscuits to the most elegant layer cake, everything you make tastes so much better with butter.

Through The Study Window

By REV. C. C. ARMSTRONG

By the time this appears in print, the carnival will have come and gone — weather permitting. Many will have attended, dressed in fancy costumes, and having a wonderful time. Perhaps for some their limbs will creak and groan the next day, being unaccustomed to skating except at the carnival.

The idea of a carnival in a cold country such as ours, and that held in warmer climes, is quite different. Way down in Orleans the carnival is really something with all manner of festivities. It is the great annual spurge, bungee or what have you before the sombre and sober days of Lent. All indulgence of the appetite is supposed to take place before Lent, and surplus cooking fat is used up on Grease Tuesday, Mardi Gras. Traditionally much of it is used in pancakes, and the lovely flapjack is King of the Kitchen for a day. It is at this time of sound economics and established ecclesiastical procedure not to waste any of the feast before the fast.

This feasting before and after Lent has caused the Lenten season to fall into disfavor amongst many of us. Self-denial for a season becomes only an interruption in the regular preoccupation with appetite. It is a seasonal thing, and involves no basic change in one's habits and ways. At least this is true of many.

Perhaps it reminds the careless glutton that there are many in need, and abstaining for a season he is better equipped to relieve the necessities of others. But as for me, when I get hungry I get cantankerous and any benefit is thus markedly reduced. Nor can I see any value in giving up one thing unless it can be transferred to some one else who stands in need. Giving up something for oneself, in order that it may be given to somebody else, is most commendable.

Robert Herrick, who lived away back in the 17th century, has a little poem on Lent. So far as I know it is not copyrighted. He writes:

Is this a Fast, to keep the larder lean
And lean from fat of veals and sheep?

Is it to quit the dish of flesh, yet still
To fill the platter high with fish?

W.M.S. Meeting Held At Olds

The annual meeting of the W.M.S. Presbytery was held in Olds on a beautiful summer-like day in February.

The theme: "The Christian Mission." "There is no participation in Christ without participation in His mission to the world," was well expressed throughout the afternoon and evening sessions.

Mrs. J. Reinders of Calgary, branch corresponding secretary, led the devotions at both sessions, saying that the success of the Christian mission is one of the marvels of this century and stating facts about the Wellington Conference which met in Switzerland to consider the missionary obligations of the church.

The president, Mrs. Malvon of Olds, delivered an inspiring farewell address. During her three-year term of office she has visited every auxiliary in the Presbytery and now after work well done vacates her office to Mrs. A. E. Eastes of Ponoka.

Miss Georgina Eddys of Olds sang two beautiful solos and Mrs. Reinders installed the newly elected officers.

Mrs. R. Long of Didsbury and Mrs. Murgatroyd of Innisfail were appointed to attend school for leaders in Calgary the week of March 22nd.

The treasurer reported the sum of \$3,716 was sent to the branch treasurer for the year 1943. A large crowd was on hand for the evening session. Mrs. Oak of Olds rendered two solos and then Mrs. Reinders introduced the guest speaker, Miss Beulah Bourne.

Is it to fast an hour, or rag'd to go
Or show a downcast look and sour?

No: 'tis a fast to dole thy share
Of wheat and meat, unto the hungry soul.

It is to fast from strife, from old debate
And hate; to circumsise thy life.

To show a heart grief-rent; to starve thy sin
Not bin; and that's to keep thy life.

Keep it too, by attending Women's World Day of Prayer, in Knox United, Friday, March 5th, at 2:30 p.m.

WESTERDALE NEWS

(From Our Own Correspondent)

An enjoyable evening of crokinole was held at the home of Mr. and Mrs. J. P. Schrader last Tuesday evening, when seven boards were in play. Top scorers were Mrs. Doug Landeen and Mr. J. P. Schrader, while low scores went to Mrs. J. P. Schrader and Mr. Doug Landeen.

Mr. H. Jackson, Mr. W. Wigley and Mr. F. J. Jackson motored to Burnt Lake last Tuesday for a day's fishing and were successful in hooking 14 pike.

Mrs. J. Cowie spent a few days in Edmonton at the home of her son, Mr. A. Cowie, last weekend.

Quilts are in the making; another was completed at the home of Mrs. J. Cowie last Wednesday afternoon. The ladies have sewn four quilts in the past five weeks with several others yet to be done.

NO DEDUCTIONS

Rt. Hon. C. D. Howe, Canada's minister of trade and commerce said the government is not considering asking the Wheat Board to deduct dues of provincial farmers' unions from payments it makes to growers from their grain. On a number of occasions this request has been made of both the federal government and the Wheat Board by union members.

Reg. N. and missionary, home on furlough from Korea.

Miss Bourne told a vivid and moving story of her work in Korea during the last seven years. The devastation of war, the great poverty of the Korean people and the marvelous work being carried on by the Christian church was revealed by this story, illustrated with colored slides.

In closing she said that in that trouble-torn country God's love and care was ever breaking through to strengthen and encourage.

Freedom From And Freedom To

This is a competitive world and the ability to compete is the price of survival in it.

If we refuse to meet our competitors in one field, they will meet us in another.

Farmers the world over are learning that, if controlled marketing frees them from the competition of the market place, it exposes them to the competition of other organized groups who want the same favors from governments as the farmers are asking.

An English farmer, writing to The Times, says that in this last-mentioned form of competition, the farmers will never be able to hold their own against other better organized and politically more influential classes of citizens.

To compensate for this weakness in their bargaining position, he suggests that farmers be granted two freedoms — freedom from arbitrary price controls and freedom to organize and control their own markets in their own collective interests.

This naive suggestion might appeal to some unthinking farmers. But the thoughtful ones will understand the futility of expecting any government to grant the politically weak farmers the privilege of exploiting the better organized and more influential groups.

The privilege of exploiting one's customers is poor compensation for the loss of the open market in which everyone is free to buy or to sell according to his own interests.

Vaccinations for Bang's disease
are almost completed. By the time
you read this letter they should be
finished. It has been a big job but
through the help and co-operation
of the various township captains
the work was well organized and
carried out.

Many of the calves were over
the eight months when done but
the vaccine is usually effective up
to one year, however there is a
precaution to keep in mind. Do not
permit these calves to run with the
herd sire for at least three months
following vaccination, four months
might be better.

In the early summer another
drive will be made to vaccinate
those heifer calves which were less
than four months, late fall and
winter calves. It would be appre-
ciated if you would inform your
captain if you have some to do
when spring comes. The elimina-
tion of Bang's disease will be a very
good thing. Many cattlemen know
by their own experience that hav-
ing this in their herd is a costly
and troublesome thing. Building
up immune herds is the most effec-
tive and least costly method. Calv-
hood vaccination will accomplish
this.

**BERGEN COUPLE CELEBRATE
SILVER ANNIVERSARY**

Mr. and Mrs. Purcell Blain were
honored on their silver wedding
anniversary, February 20, when a
large group of relatives and friends
entertained at a surprise party at
their home at Bergen.

After an evening of games and a
sing-song. The bride and groom
opened their many gifts, of which
was a corsage of acroclium and
freesias for the bride with match-
ing lily flower for the groom.

The three-tiered wedding cake,
which centred the bride's table was
also decorated with a silver "25th"
under an arch of acroclium and
silver bells. The cake rested on an
antique cake stand belonging to the
groom's mother (another Mrs. Wil-
son Blain).

To cut the cake the wedding
principals used a silver bridal knife
entwined with ribbon and acroclium
blossoms.

After the toasts refreshments
were served.

**In the Oil Business
You put
Before You Take !**

One vital ingredient in the
discovery of oil is money. Since
1946, the oil industry has made a
tremendous investment in order to
find new oil sources and develop
the fields that have been found.

From this investment, the oil
industry has yet to realize a profit
return. Since 1946, for every
dollar invested in oil exploration
and development, the gross value
of oil produced has amounted to
only 54 cents. The net to the oil
companies has been far less, for
out of this return they have paid
field operating expenses, royalties,
taxes, and other charges.

Oil development in Western
Canada is a long range program.
In the oil business, you put before
you take — but in the meantime
the public has benefited through
lower prices for petroleum prod-
ucts, increased employment, new
industry and revenue to govern-
ments.

CANADIAN PETROLEUM ASSOCIATION

Those farmers who invest from \$2.00 to \$2.75 per acre for Elephant Brand Fertilizer to apply with the seed of their cereal crops know that their crops yield from 6 to 10 bushels more per acre and ripen earlier because they are fertilized.

The money they invest in fertilizer therefore grows and yields them a profit of from 300 to 400%. We know of no investment that a farmer can make that will yield equal returns.

Let us tell you more about the other advantages that can be yours from the use of fertilizer.

Place your order NOW so that we can have the fertilizer you need in time for seeding.

M.V.B.C. NEWS

The past weekend has been a most busy one again for the students of the college. Groups went to Headley, Edmonton Big Valley and Calgary. A lonesome quartette of young men rambled about the college on Sunday, after attending the local church services.

Mrs. D. M. Taylor was a weekend visitor to Edmonton. She had the great opportunity of seeing one of the student groups in action in the U.M. Church at Edmonton where a former graduate of the college, Rev. Abe Neufeld, is pastor.

This coming Sunday college students will take full charge of Sunday School and worship services. In the morning service, Miss Joyce Burkholder, missionary candidate, will speak. In the evening service the graduating class of 1954 will take full charge of the service. Everyone is invited to hear these young people.

Miss Walsh, dean of women, visited her brother's home during the weekend, but because of illness is absent from the college for several days. We will be glad to see her back again.

Miss Joyce Burkholder will be speaking at the All-Day of Prayer to be held in United Church on Friday. Miss Burkholder is graduating this year with her Bachelor of Sacred Literature degree. A registered nurse, she is applying for missionary work in Nigeria, Africa. We are hoping that she will be sent to this field some time in the fall of the year.

On Friday evening Constable Fraser of the R.C.M.P. showed pictures concerning their work in the far north land in the school dining hall. The troop of Boy Scouts under the direction of Peter Waldin were guests of the students during the evening. The social-recreation chairman, Earl Reimer, was in charge of the evening. A fine lunch was served at the conclusion. We greatly appreciate the effort of the constable to give us such a fine evening.

Letter To The Editor

JUST A THOUGHT OF TEMPERANCE

We begin with a strong statement. The Bible does not forbid the use of intoxicating drink. John 2, 1-11; 1 Timothy 5, 23; 1 Timothy 4, 3-5. The State may forbid its manufacture for public consumption, and its sale, and a Christian must obey such laws. But this fact remains, the Bible does not forbid the use of alcoholic drink.

On the other hand, the Bible, in no unmistakable terms, condemns drunkenness and puts the drunkard in the same class with fornicators, idolaters, adulterers, thieves, and commiters of like sins, saying that they who commit such sins shall not inherit the kingdom of God. 1 Corinthians 6, 9, 10. Drunkenness is a very prevalent sin and brings untold misery, not only to the drunkard himself, but also to his family and to his fellow-men.

It presents a real problem. We must warn against the dangers of drunkenness, show the inevitable results of over-indulgence. It may be suggested that the drunkard voluntarily abstain from the use of all liquor, if that will help him to keep from yielding to the temptation of over-indulgence. Most assuredly should a drunkard be told not to frequent drinking places or keep the company of such as use intoxicating drinks too frequently. We also fully recognize the dangers of "tipping."

But we feel it is beyond the scope of man to demand a pledge of total abstinence on the basis of the foregoing — for we have no right to ask what God does not ask. Be it clearly understood, we do not condone drinking; we do not defend drinking; we hold no forte for drinking — but at the same time, we cannot accept man-made laws, contrary to the command of God, as binding upon the hearts and conscience of man. Commandments of the Church, or men, cannot and must not nullify the command and ordinance of God.
